

Thank you very much for your continuous support.

At present, coronavirus is occurring on a global scale,
and there is concern about infection.

As measures for Miyajima Coral Hotel, is shown below

- ① Staff wash their hands. And gargle their throat.
- ② Staff measure body temperature every day.
- ③ All the staff wear masks and work.
- ④ Alcohol disinfectant is placed in the lobby.
- ⑤ Before, it was a buffet style breakfast, we changed to a set meal.
- ⑥ Staff go around the hall to regularly disinfect alcohol.
Trying to prevent infection by wiping the elevator buttons and lobby sofas

Thank you for your understanding and cooperation.
