Thank you very much for your continuous support.

At present, coronavirus is occurring on a global scale, and there is concern about infection.

As measures for Miyajima Coral Hotel, is shown below

1) Staff wash their hands. And gargle their throat.

(2) Staff measure body temperature every day.

③ All the staff wear masks and work.

④ Alcohol disinfectant is placed in the lobby.

(5) Before, it was a buffet style breakfast, we changed to a set meal.

6 Staff go around the hall to regularly disinfect alcohol. Trying to prevent infection by wiping the elevator buttons and lobby sofas

Thank you for your understanding and cooperation.
